### Question 1:Football

#### 1.4 Italy vs. Norway

INITIALISATION

Red\_card (1)

Substitution (12,10)

Substitution (13,2)

Substitution (14,3)

#### **Why is the Sequence Invalid?**

*Answer:* The Above mentioned sequence is Invalid because substitution of three players without containing Goalkeeper is taken place on a match in a team, which is not a valid sequence. According to Informal Requirement rules of association football specified maximum of two players substitution and maximum of one Goalkeeper substitution are the only valid sequence of substitution for the players on a match in a team.

#### **What sequence of operations should have been followed?**

*Answer:* So as per the requirement specified we follow using maximum of one Goalkeeper substitution and maximum of two players substitution.
